SOUTH CAROLINA AMP / FSA

Williamsburg County

FIELD OUTLINE ATLAS | 2 county-workbook farms | 9 fields extracted from their FSA PDFs

TWO FARMS FROM THE COUNTY SHEET

01 Farm 17615

Tract 5419 | 7 source-PDF fields | Excel row 2

Field listed in Excel: 7

02 Farm 10519

Tract 3979 | 2 source-PDF fields | Excel row 3

Field listed in Excel: 5

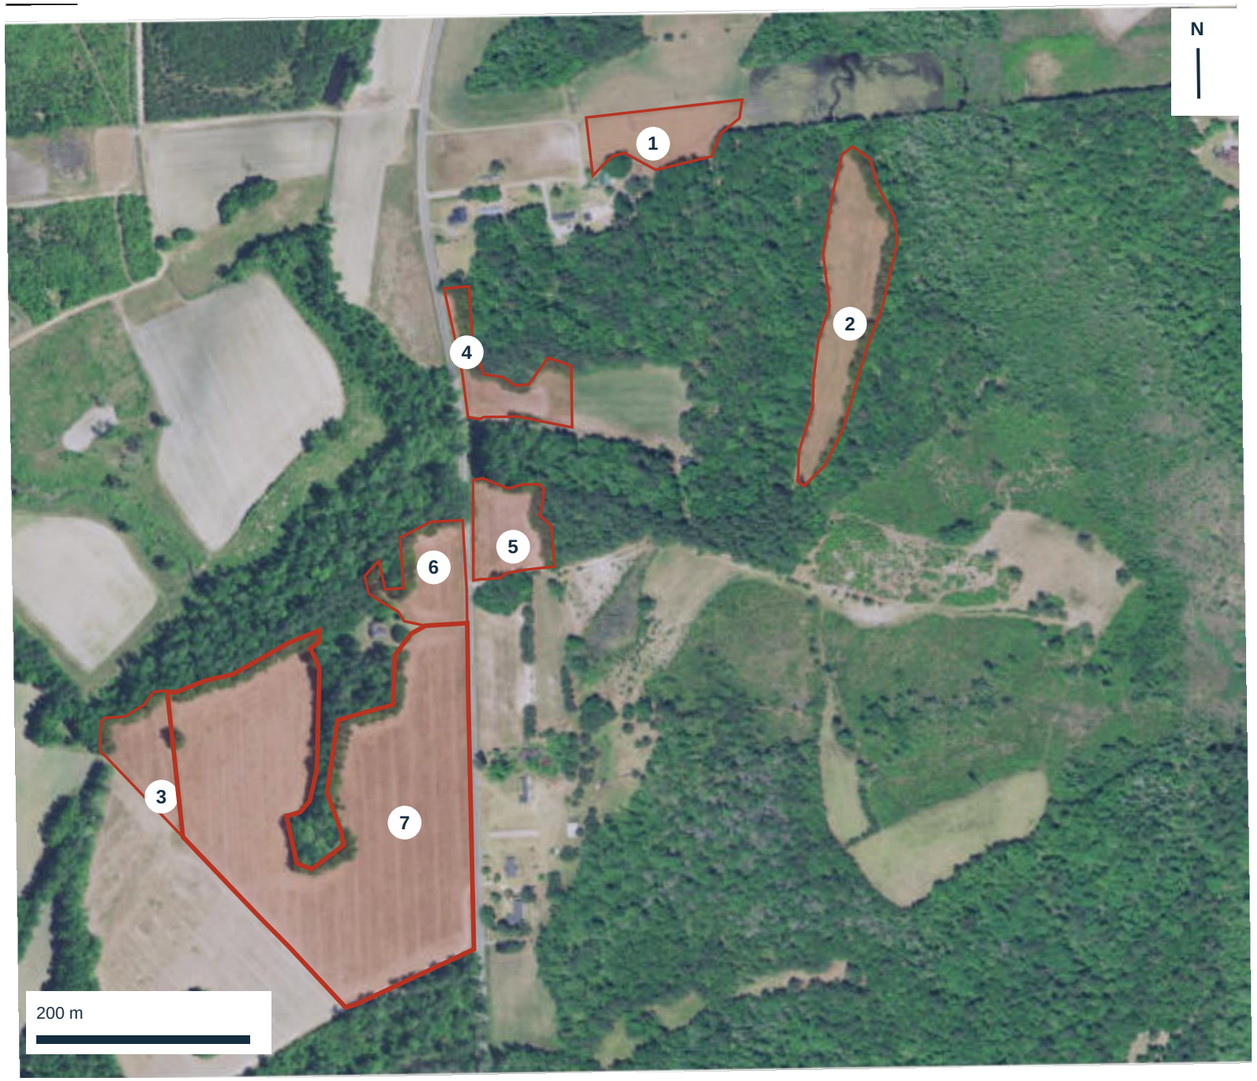

The two farm IDs come only from Williamsburg County_Producers.xlsx, Sheet1 rows 2 and 3. Printed PDF field IDs are field subdivisions, not additional farms.

County overview: Census county boundary. Farm detail maps: extracted georeferenced PDF imagery with independently drawn vector outlines.

Administrative map interpretation; not a legal survey. Imagery acquisition date is not provided in the sources.

Williamsburg County

01 / Farm 17615 / Tract 5419 / 7 source fields

PDF FIELD OUTLINES

Field	Printed acres	Calculated acres
1	1.58	1.581
2	3.46	3.442
3	1.36	1.354
4	1.45	1.450
5	1.46	1.458
6	1.57	1.558
7*	16.80	16.819

* Field ID listed in the county workbook. All other outlined fields are printed in the same FSA farm map; no additional farm records are created.

Boundary source: Chris Berlin_FSA_mAP.pdf

Background: imagery extracted from this PDF with its text and vector layers disabled. Field outlines and labels on this page are newly drawn GIS vectors from the source paths. Image acquisition date is unavailable.

Source field geometries are retained without buffers or generalized replacement boundaries. Internal GeoPDF reference checks are not survey accuracy.

Administrative map interpretation; not a legal survey. Imagery acquisition date is not provided in the sources.

Williamsburg County

02 / Farm 10519 / Tract 3979 / 2 source fields

PDF FIELD OUTLINES

Field	Printed acres	Calculated acres
5*	1.21	1.211
7	5.88	5.896

* Field ID listed in the county workbook. All other outlined fields are printed in the same FSA farm map; no additional farm records are created.
